

# Meeting CNR-CNRS for Chemistry Sciences

January 28<sup>th</sup>, 2019

## AGENDA

**Location:** National Research Council of Italy (CNR)  
Address: P.le A. Moro 7, Rome

### French Delegation:

1. **Jacques Maddaluno**, *Head of Institut de Chimie INC/CNRS*
2. **Claire-Marie Pradier**, *Scientific Deputy Director for Molecular Chemistry & Reactivity Physical, Analytical & Theoretical Chemistry*
3. **Erick Dufourc**, *Scientific Deputy Director Supramolecular and Organic Chemistry of and for Living Systems*
4. **Alexandre Legris**, *Scientific Deputy Director Materials Sciences, Polymers & Soft Matter*
5. **Pascal Breuilles**, *Scientific Deputy Director Industrial & International Partnerships*
6. **Mehran Mostafavi**, *Scientific Delegate Large Scale Research Infrastructures*
7. **Clotilde Policar**, *Scientific Delegate Interdisciplinarity*
8. **Jean-François Gérard**, *Scientific Delegate National Site Policy, Cross-disciplinary Projects*
9. **Catherine Larroche**, *Administrative Deputy Director*

### Italian Delegation:

1. **Maurizio Peruzzini**, *Director, Department of Chemical Sciences and Materials Technologies DSCTM/CNR*
2. **Michele Saviano**, *Director, Institute of Crystallography (IC)*
3. **Sergio Riva**, *Director, Institute of Chemistry of Molecular Recognition (ICRM)*
4. **Lidia Armelao**, *Director, Institute of Condensed Matter Chemistry and Energy Technologies (ICMATE), Professor of Inorganic Chemistry University of Padova*
5. **Michele Muccini**, *Director, Institute of nanostructured materials (ISMN)*
6. **Alessandro Mordini**, *Research Director, Institute for the Chemistry of Organometallic Compounds (ICCOM-CNR)*
7. **Virginia Coda Nunziante**, *Director, Office International Relations of CNR*
8. **Augusta Maria Paci**, *Technology Director, Department of Chemical Sciences and Materials Technologies DSCTM/CNR*
9. **Giuliano Giambastiani**, *Senior Researcher, Recipient Macron Prize Award "Make our Planet Great Again", Institute for the Chemistry of Organometallic Compounds (ICCOM-CNR)*
10. **Representative of the French Embassy in Italy**

### Meeting schedule:

- Location: CNR Headquarter, P.le Aldo Moro 7, Volterra room, 1<sup>st</sup> Floor
- Entrance: CNR, P.le Aldo Moro 7. Badge is needed with identity card
- Meeting of INC: 9.00-11.00 (Volterra room 1<sup>st</sup> Floor)
- Joint Meeting: 11.00 -18.30 (Volterra room)
- Lunch: 13.00-14.00 (Croce Room)
- Cocktail: 19.15, Ambassade de France, Palazzo Farnese (by taxi) Piazza Farnese 67
- Dinner: 20.30 Restaurant Etabli, Vicolo delle Vacche 9, <http://www.etabli.it/eng/index.html>

**Meeting of Chemistry Sciences  
CNRS-INC and CNR-DSCTM**

**AGENDA**

January 28<sup>th</sup>, 2019  
Volterra Room – CNR 1<sup>st</sup> Floor

11.00 - 12.15	<b>Session 1: Welcome and Opening Remarks</b>
11.00 - 11.15	<b>Massimo Inguscio</b> , President of CNR
11.15 - 11.30	<b>Jacques Maddaluno</b> , Director of INC, Review of CNRS current structure for Chemistry
11.30 - 11.40	Comments and Debate
11.40 - 12.00	<b>Maurizio Peruzzini</b> , Director of DSCTM, Review of CNR current structure for Chemistry
12.00 - 12.15	Comments and Debate
12.15 - 17.15	<b>Session 2: Research perspectives for collaboration CNRS and CNR</b>
12.15 - 15.00	<b>Focus: Green Chemistry</b>
12.15 - 12.30	<b>Claire-Marie Pradier</b> , <i>Scientific Deputy Director</i> Molecular Chemistry & Reactivity Physical, Analytical & Theoretical Chemistry
12.30 - 12.45	<b>Sergio Riva</b> , <i>Director</i> , Institute of Chemistry of Molecular Recognition (ICRM)
12.45 - 13.00	Discussion
13.00 - 14.00	<b>Lunch</b>
14.00 - 14.45	<b>Focus: Chemistry for Life and Health</b>
14.00 - 14.15	<b>Erick Dufourc</b> , <i>Scientific Deputy Director</i> Supramolecular and Organic Chemistry Chemistry of and for Living Systems
14.15 - 14.30	<b>Michele Saviano</b> , <i>Director</i> , Institute of Crystallography (IC)
14.30 - 14.45	Discussion
14.45 - 15.45	<b>Focus: Advanced Materials</b>
14.45 - 15.00	<b>Michele Muccini</b> , <i>Director</i> , Institute of nanostructured materials (ISMN)
15.00 - 15.15	<b>Alexandre Legris</b> , <i>Scientific Deputy Director</i> Materials Sciences, Polymers & Soft Matter
15.15 - 15.30	<b>Lidia Armelao</b> , <i>Director</i> , Institute of Condensed Matter Chemistry and Energy Technologies (ICMATE) Professor of Inorganic Chemistry University of Padua
15.30 - 15.45	Discussion
15.45 - 16.15	<b>Coffee Break</b>

16.15 - 17.15	<b>Focus: Interdisciplinarity</b>
16.15 - 16.30	<b>Clotilde Policar</b> , <i>Scientific Delegate</i> Interdisciplinarity
16.30 - 16.45	<b>Alessandro Mordini</b> , <i>Research Director</i> , Institute for the Chemistry of Organometallic Compounds (ICCOM-CNR)
16.45 - 17.00	<b>Mehran Mostafavi</b> , <i>Scientific Delegate</i> INC Large Scale Research Infrastructures and policy
17.00 - 17.15	Discussion
17.15 - 18.30	<b>Session 3: Scientific policy and relation with universities and local government</b>
17.15 - 17.30	<b>Pascal Breuilles</b> , <i>Scientific Deputy Director</i> INC Industrial & International Partnerships
17.30 - 17.40	<b>Virginia Coda Nunziante</b> , <i>Director</i> , Office International Relations CNR
17.40 - 17.50	<b>Giuliano Giambastiani</b> , <i>Senior Researcher</i> , Institute for the Chemistry of Organometallic Compounds (ICCOM-CNR) <i>Recipient Macron Prize Award "Make our Planet Great Again"</i>
17.50 - 18.00	<b>Representative of the French Embassy in Italy</b>
18.00 - 18.10	<b>Augusta Maria Paci</b> , <i>Technology Director</i> , DSCTM
18.10 - 18.30	Towards Scientific Collaboration and Closing
18.30	Taxi transfer to Palazzo Farnese
19.15 - 20.00	<b>Cocktail offered by the Ambassade de France in Italy</b>
20.30	Free Dinner together Etablì Restaurant (Vicolo delle Vacche n.9)

Scientific organization, Augusta Maria Paci (+39 335 65 49 714) and Mehran Mostafi  
Staff from the DSCTM Secretariat; special thanks to Mario Figuretti and Caterina Adinolfi, DSCTM-CNR
